RE: FOIA 29516

Dear Sir and/or Madam:

Attached are documents that reside in the ARIA system for debts forgiven or waived by the City of Springfield from Jan 1, 2022 to the present. "The list should include the name of the debtor, the amount forgiven and the nature of the debt."

Also attached you will find two additional documents. An email from Monday, January 30, 2023 from Assistant Corporation Counsel Correll advising the Treasurer's Office to redact names on the report from the original FOIA. The original letter the Treasurer's Office uploaded with their data for FOIA 29516 is also attached, which may or may not have been sent to the Illinois Times when the FOIA was originally responded to. The Treasurer's Office is unaware if the cover letter prepared with their FOIA was included or excluded in the original FOIA response.

This letter indicates there would be other debt located in the Amicus System in the Office of Corporation Counsel not included in the report and data in City Water Light & Power's CIS system.

If you have any questions or concerns please feel free to contact the Treasurer's Office at 217-789-2224.

Thank you,

Misty Buscher  
City Treasurer

Good morning,

Our office has a FOIA due today, report is available to us today, but I want to ask if any information on the report should be redacted. I'm not sure who is handling FOIA questions for the Treasurer's Office. Could either of you tell me who I can ask my question to?

Thank you!
